

## Nice & Green has signed an investment agreement with Facephi for up to 20M EUR through a Convertible Notes Funding Program

Nyon Switzerland, 05 May 2023 – Nice & Green, the Swiss investment firm, announces the signature of the investment agreement with Facephi Biometria S.A. (BME: FACE), a Spanish company specialized in biometric authentication and digital onboarding. The funding of up to EUR 20M will enable Facephi Biometria S.A. to accelerate its expansion in designated geographical areas.

The financing agreement signed between Nice & Green and Facephi Biometria S.A. is materialized via a convertible Notes Funding Program. The funding scheme consists of 8 consecutive tranches up to EUR 2.5M per tranche to be withdrawn at the discretion of Facephi Biometria S.A.

Benoit Villers, Managing Partner of Nice & Green shared: "A clear strategy, great management and a performing product range explain the sustainable and profitable growth that Facephi enjoys worldwide. Nice & Green is pleased to be its reliable partner for years and to contribute to the development of this successful company."

Javier Mira, CEO of Facephi Biometria S.A., considers the deal with Nice & Green to be "an important step to continue boosting the great growth we are experiencing. It is time to take advantage of the opportunities we have detected in new markets and this injection of liquidity will allow us to do so".
